

CIVIL SERVICE COMMISSION CIVIL SERVICE COMMISSIONERS REGISTER OF INTERESTS MAY 2023

Apart from relevant interests arising during the course of an appeal under the Civil Service Code, a complaint under the Recruitment Principles or in the course of a recruitment competition (which Commissioners record with the relevant case papers), Civil Service Commissioners are required by their Code of Practice to disclose relevant interests in a publicly accessible Register of Interests.

A relevant interest is any interest – whether direct or indirect, pecuniary or non-pecuniary – which might influence a Commissioner’s judgement or which could be perceived by a reasonable member of the public to influence a Commissioner’s judgement, in the exercise of their duties as a Commissioner. This includes such interests of close family members and of people living in the same household.
